EXPERIENCE

DBSol Technologies Pvt. Ltd.

Technical Intern

Chennai, TN

Jun 2025 – Jul 2025

- Supported enterprise workplace operations using Microsoft 365 applications including Word, Excel, PowerPoint, and Teams.
- Managed documents, spreadsheets, and reporting workflows while collaborating across teams to improve digital productivity.
- Gained practical exposure to professional software environments, communication standards, and team-based task execution.

Client Projects (Freelance) / Saka Digital

Digital Content Creator & Designer

Chennai, TN

Ongoing

- Designed social media graphics, posters, and UI assets for small business clients using Figma and Adobe Creative Cloud.
- Edited short promotional videos for shops and small businesses to increase audience engagement.
- Collaborated directly with clients to understand branding requirements, delivering project assets within defined schedules.

PROJECTS

Carry – Hotel Essentials Ordering Web Application

Personal Project

Python, Web Technologies, MySQL

- Developed a web application enabling hotels to streamline orders for essential operational supplies (carry bags, sheets, rolls, cups).
- Structured distinct user and administrator workflows with a dedicated route for order processing and inventory views.
- Live Demo: saikamlesh-git.github.io/Carry | Admin: saikamlesh-git.github.io/Carry/#/admin

Billing App

Personal Project

Python, Web Technologies, MySQL

- Designed and built a billing application for hotel essentials delivery, managing product pricing, quantity calculation, and client invoice generation.

Leave Approval System

Academic Project

Java, MySQL, HTML, CSS, REST APIs

- Built a full-stack web application designed to automate employee leave requests, approval flows, and leave balance tracking with role-based access.

Sculptor Cutting Machine with Built-in Water Pipe

Team Project – IAP

- Designed a sculptor cutting machine integrated with water pipe system to drastically suppress dust particles during cutting, enhancing safety.

CERTIFICATIONS

- Apache Spark** – Databricks | **Hadoop 101** – IBM
